

CONFERENCE
INTRODUCTION

Welcome to the **2018 2nd International Conference on Energy, Environment and Materials Engineering (EEME2018)**, which will be held on **July 22-23, 2018** in **Shanghai, China**.

It will provide a high qualified forum for its participants to access the most knowledge in related fields. EEME2018 has received support from world-famous scientists and scholars, and it will make a perfect opportunity for you to present your research and meet other scholars.

PUBLICATION

EEME2018 will be published by Atlantis Press on **Advances in Engineering Research (ISSN 2352-5401)**, which will be submitted for indexing by which will be submitted for indexing by **EI Compendex, CPCI-S (formerly called ISTP), Scholar Google and CNKI Scholar**.

All accepted papers will be published and also be online available in full text via the press platform.

CALL FOR
PAPERS

Topics of interest for submission include, but are not limited to: Bioenergy and Clean Energy, Material Engineering, Material Science and Processing, Power and Energy Applications, Renewable Energy Power Systems, Energy Science and Energy Technology, Solar Energy Engineering, Wind Energy Engineering, Composite materials, Nano-materials, Bio-materials, Green Materials, Energy and Environmental Materials, Power System Management, Other related topics.

Submission email address: cfp@eeme2018.org or eeme2018@sina.com

Submission Deadline: **May 25, 2018**

Email subject should be named "Submission + Full Name".
